All information calculated using this web site is for estimation purposes only.

The estimate of your benefits will be calculated using assumptions based on the information you provide. It is your responsibility to ensure that this information is correct. The estimate is not binding upon you or the Educational retirement board. If a conflict arises between information provided by the law, the law takes precedence.

Statutory changes are made from time to time that affect ERB benefits and that may affect any decisions you make in relation to those benefits. These changes are made by the New Mexico Legislature and the Governor. Although ERB makes every effort to keep its members informed about changes in its benefit structure, it cannot safely predict what the legislature or Governor may do that might be interest to you. For this reason you should keep yourself informed about possible benefit changes by consulting this web site: nmerb. org. ERB member Services at (505) 827-8030, your union representative (if applicable), your legislative representative, or any other source that you believe may be helpful to you before you make any final decision. You are ultimately responsible for any decision you make in regard to your ERB benefits.

The Retirement Benefits Calculator provides you an **unofficial** ERB benefit estimate. You can use this estimate to guide you in retirement planning. Any calculation does not guarantee you a benefit. All benefits are determined according to the Educational Retirement Board law.

To obtain actual costs to nurchase additional service credit, you must contact ERB for a billing statement

Actual

The Actual column will have your current information as of the end of the most recent quarter. Options A, B and C will indicate \$0.00 until your calculation is complete. For the retirement qualifications, click on Help from the Menu and then Benefit Estimator.

Estimated

The estimated column will have zeros until you enter the information. **Earned credits** is the amount of earned service credit by your retirement date. **Allowed credits** is service credit you plan to buy. If you are not buying service credit, leave this field alone. **Total credits** will populate after you enter your earned and allowed credits. **Estimated FAS** is your most current estimated *Final Average Salary*; your Final Average Salary is the average of your highest consecutive five years' salaries that your employer has reported to NMERB as of the end of the most recent quarter.

Earned Credits

You earn service credit by quarters in the fiscal year. The fiscal year is July 1 to June 30. The quarters end in September, December, March and June. Refer to your Member Contribution History report for help on figuring out your earned credits.

Option A, B and C

Options A, B and C are your survivor's benefit options upon retirement.

Help	are four pages in the retirement application, they are: (1) Retirement Application Instructions, (2) Application for Retirement Checklist, (3) Member Information, and (4) the Employer Certification. Complete the Member Information Form and return it to your personnel or business office where the Employer Certification will be completed. Your employer will then forward the completed application to our office. Our staff will review your application for eligibility and mail to you your retirement documents, which include: an information memorandum, a final computation of your retirement benefit, a final selection of benefit form, and a direct deposit authorization form. (The New Mexico Retiree Health Care Authority will automatically mail you a retirement packet. For more information on the NMRHCA, call 1-800-233-2576.)
