Monthly Reporting Deadlines

All items are due no later than the **15th** of each month.

Late submission of forms and contributions may result in late fees and penalties

Reporting Terms

ACH Deposit - Monthly contribution deposit

Form 100 – Contribution report - summarizes the information in the work report

Work Report (W1) - List members, wages and contributions for the period being processed in addition to *job categories and job classifications*.

Member Detail File (M1) - Member demographic information – should only include new employees, re-hired employees or changes in employee information i.e. address, phone number or email changes. M1 file should not be larger than the W1 files.

Employee Data Forms - New hires or returning hires

Form 9s - Member adjustments to monthly earnings and contributions

Labeling Electronic Files W1 & M1

LAUs need to label monthly reports with the following format.

- 3-letter LAUs = ABC
- Month = 2-digits - 11
- Year = 4-digits - 2023
- Type of Report = M1 or W1

- ABC122023W1

- ABC122023M1

This simple format allows our office to identify LAUs and assign reports to the analyst.
