Due to early portfolio development, the Gross Multiple and the Gross IRR may not be meaningful ("NM").

² EUR commitment comprised of drawn commitment at actual funded USD plus unfunded commitment converted to USD per Bloomberg March 31, 2026 closing rate (\$1.1554/EUR).

³ Global Diversified Infrastructure Fund does not call capital for management fees. Instead, management fees are paid out of distributions. Gross and Net IRR are inclusive of management fees.
